v.)	JUDGE BENITA Y. PEARSON
)	
ANDREY KOVALENKO,)	
)	<u>ORDER</u>
Defendant.)	

Pending is Defendant Andrey Kovalenko's Motion to Set Hearing. [ECF No. 27](#).

Defendant's counsel reports that he has been advised by the Government that Defendant's wife has contacted the Government's counsel and "expressed dissatisfaction with counsel's representation of her husband in this matter." [Id. at PageID #: 154](#) Defendant's counsel requests a hearing to confront his client about these claims.

Defendant's counsel represents Defendant, not Defendant's spouse. See [Strickland v. Washington, 466 U.S. 668 \(1984\)](#) ("Counsel's function is to assist the *defendant*.") (emphasis added). Defendant's counsel shall consult directly with Defendant to confirm what "concerns he may have about counsel's representation" ([ECF No. 27 at PageID #: 154](#)) and file a notice on the docket clarifying why the Court's intervention is required no later than seven days from the date of this order.

IT IS SO ORDERED.
